

Staying Overnight

CAMPING DOs & DON'Ts: These rules protect the landscape & you!

NOTE: Some rules vary between the Park & the National Forest. Check bulletin boards for details.

FIRE RESTRICTIONS

Check locally before starting any fires, including charcoal grills. There are limitations on where you can have a fire; conditions are *very* dry. Fires must be out cold before you leave.

Gather only dead & down wood, bring wood, or buy it at a market. Do not cut limbs from trees. In the national forest & monument you must get a free campfire permit from the Hume Lake District Office, Grant Grove Visitor Center, Big Stump entrance station, or a Forest Service ranger.

CAMPSITE OR ROADSIDE?

In the park, camp only in designated sites in campgrounds. In the National Forest & Monument roadside camping is permitted unless posted otherwise. Ask a ranger for possible locations.

PROTECT THE PARK!

Do not use dig trenches, level campsites, or use soaps in rivers. Protect soils & plants — park & travel on pavement only.

PROPANE CANISTERS

These cannot be disposed of in the park. Please take them with you.

QUIET HOURS

10pm-6am. Use generators from 9am-9pm only. Music should be audible in your campsite only.

HOLDING CAMPSITES

In first-come, first-served campgrounds, you may not hold a site for someone who has not arrived. Sites not occupied for 24 hours are considered abandoned; property may be impounded.

RVS & TRAILERS

No hookups are available. Trailers are permitted in all but four park campgrounds; check the chart on page 11. Many sites are not suitable for trailers or RVs. Vehicles over 30 feet long can fit in a small number of sites.

Length advisory: On Generals Highway in Sequoia Park, from Potwisha Campground to Giant Forest Museum, a vehicle length limit of 22 feet is advised. See page 5 for other limitations & warnings.

Dump stations: See chart on page 11.

GROUP SIZE & GROUP SITES

Maximum for most campsites is 6 people. For groups of 7-15, there are first-come, first-served sites at Crystal Springs (Grant Grove) and

Canyon View (Cedar Grove). Sites for groups larger than 15 must be reserved; call in advance for information on group tent-camping areas in the parks: Dorst 1-800-365-2267; Sunset 1-559-565-4335; Canyon View (last night 10/3) 1-559-565-3792. In the national forest/monument: call 877-444-6777 or go to www.ReserveUSA.com.

LIMITS ON CAMPING

Many campgrounds allow only one vehicle & six people per site. Check locally for slight variations in these limits. Parking is available for extra vehicles. Camping is limited to 14 days between June 14-September 14, with 30 days total per year.

YOU MUST STORE ALL FOOD!

BEARS quickly learn to get food from cars, picnic tables, and backpacks. They then become destructive and sometimes aggressive. They want our food, not us, but people can get hurt. Too often these bears must be killed. This is why you may be fined if you do not store food properly.

- **DRIVERS:** Never leave any food or scented items in cars. Take infant seats out of cars; the smells they absorb may attract bears.

- **CAMPERS:** Store food day and night in the metal boxes provided (see page 11 for box sizes; avoid bringing coolers that won't fit). Store **ALL** food, coolers, related items, and anything with an odor (even if it's not food) -- including unopened cans and bottles. Latch the box completely. Food not stored properly will be impounded. Where boxes are not provided, store food in the car trunk (seal food to reduce odors). If the car has no trunk, put everything on the floor, cover it well, and close the windows. Keep a clean campsite. Deposit garbage immediately in bear-proof containers or store it like food.

- **PICKNICKERS:** Guard your food at all times.

- **LODGE GUESTS:** Keep cabin doors closed any time you leave.

- **BACKPACKERS:** Store all food in a portable canister. Less than 3 pounds, it holds up to 5-day's food for one and fits in a pack. Metal boxes in a few backcountry locations offer backup storage. Rent or buy a canister at park visitor centers or markets. Bears defeat most attempts to hang food in trees.

- **EVERYONE:** Don't let bears approach you or your food. Wave your arms, make loud noises, and throw small rocks in their direction (avoid hitting the face or head). Keep a safe distance but be persistent. If a bear does get food, never try to take it back.
